PERSONAL DATA PROTECTION POLICY

The operator which processes your personal data is **SC COZMIRCOM SA**, with headquarters on 213 Forestierului Street, Maramures county, Romania, registered at National Trade Register Office with no. J24/2013/1992, VAT number CUI: RO2951916, telephone 0262.222.134, fax 0262.222.909.

Considering the provisions of the EU Regulation 2016/679 of the European Parliament and of the Council from 27th April 2016 regarding the personal data protection we hereby inform you that:

1. We comply with the legal provisions regarding personal data protection and we implement technical and organizational measures to protect all operations, directly or indirectly concerning personal data, which prevent unauthorized or unlawful processing, as well as accidental or illegal loss or destruction.
2. We collect your personal data for the following **purposes**:
 - execution of the contract with the legal entity on behalf of which you act and for the fulfillment of our obligations as a contracting party as well as for communication
 - compliance with applicable laws, regulations, codes of conduct or guidelines, or for law enforcement and cooperation with competent authorities.
 - for legitimate interest such as:
 - (1) any claim, action or procedure, including documents drafting and reviewing, the preparation of the documentation necessary for the conclusion of a transaction, obtaining legal advice and facilitating the disputes settlement and / or for the protection or exercise of our contractual and legal rights and obligations;
 - (2) when you send a message to the e-mail address displayed on our website or e-mail us through the contact page on our site, we collect your email address, name and any other information you provide in that email solely for the purpose of responding to your request with the legal basis for legitimate interest in the event of a collaboration agreement.
 - (3) when you access our website, www.cozmircos-sa.ro, some data is collected through cookies. Cookies are small files that the browser places locally on the user's hard disk. We use cookies to better understand how you use the site to personalize this experience and make your next visit more enjoyable.
 - (4) cooperation with public authorities and institutions.
 - (5) managing and preparing internal reports, requesting information / responses or participating in surveys, and conducting research and / or analysis for statistical purposes or for other purposes.
3. We process the data contained in your requests and enquiries as well as third parties' data contained in the documents sent to us to facilitate the performance of the activities for the purposes detailed above. We communicate the data to third parties, including affiliates within the group of our companies and our contractual partners, such as:
 - Contracting Parties and their banks regarding any type of funds transfer
 - Insurance and / or reinsurance companies
 - Service providers
 - Any business partner, investor, transferee
 - Professional consultants, such as auditors or lawyers
